

Dear Parent,

As a part of the nationwide celebrations of the 150th Birth Centenary of Mahatma Gandhi, the school has also organised a number of activities to sensitise and edify students towards the ideals of Bapu. The children will be involved in learning songs, poems, slogans and will take part in writing and painting activities for different classes, the details of which will be conveyed to you through the almanac.

On Friday, 27th September, students shall participate in a Swachchata drive by cleaning their classrooms. Please send masks, dusters and gloves if you so wish, with them on this day so that they may take part in the activity, meaningfully.

Regards
